Evington Village Fete and Show 2022

It is just so good to be back after two years away. Over that time, many people have found their gardens to be very special in their lives, and we hope this will have inspired you to enter into some of the classes in this year's show.

We hope to present to you a wonderful day of fun and activities bringing the community together as we have so rarely been able to do.

This year we are celebrating the 50 years since the Air Training Corps formed. They have always been very special at our fetes in the past: moving equipment, car park duties and stewarding along with so much more, so it is great to make them the centre of attention this year.

It is also 20 years since the first Evington Village Fete and Show which was started to celebrate the Queen's Golden Jubilee.

We would like to thank the Community Ward Fund, Tesco and the National Lottery for their most welcome grants.

I look forward to seeing you again this year.

Chris Hossack. Chairman of Evington Village Fete and Show.
